

Membership. What's in it for you?

WHY does WFAANZ exist?

- To grow the industry and promote the benefits of automotive and flat glass film
- To represent and protect the interests of window film installers and distributors

What does WFAANZ do for YOU?

- Promotes your industry to consumers, commercial businesses, the building industry and governments through an active PR campaign
- Representation on glazing industry committees such as Standards Australia and the AFRC, without which our industry would be left behind
- Works to influence government legislation to protect the interests of your industry
- Writes and obtains you FREE PR promotion in your local media
- Gives you access to all available industry experts and their combined knowledge

Where would YOU be without WFAANZ?

- Government could regulate against current tinting legislation at any time, there would be no recognised body defending the industry
- No opportunity for all segments of the industry to work together
- Installers would not have access to information about future trends or developments
- No PR, marketing or advertising to extol the benefits and applications of window film, and to address misconceptions about the product
- No website for builders, architects and home and vehicle owners to obtain unbiased, accurate information

Why should YOU join?

- Have a say in the direction of the industry
- Support your window film industry
- Demonstrate to customers, staff and suppliers that you're a credible and reputable business
- Gives you a compelling point of difference over your competitors
- Membership fee works out to be under \$27 a month, plus it's tax deductable
- Website receives over 2,000 hits a week
- Free listing on the online directory, which attracts over 160 different people looking for a local tinter each week
- Marketing and PR assistance
