

**wfaanz**  
WINDOW FILM ASSOCIATION  
OF AUSTRALIA AND NEW ZEALAND

- Membership sets you apart from competitors installing inferior films and those with shoddy workmanship. It proves you uphold a Code of Ethics and adhere to industry standards.
- WFAANZ is the peak industry body representing New Zealand film installers and distributors.
- Non-profit and fiercely independent, we do not push a commercial agenda.
- A strong, unified industry voice helps us protect, future-proof and grow the window film sector.
- Think of WFAANZ as your satellite office, supporting you with materials, content, advice and assistance when you need it.
- An executive committee of members manages WFAANZ - so installers and distributors shape our strategy - and everyone has an equal vote.

**Support, Connect & Protect:**

# The WFAANZ advantage for New Zealand film installers

Join now, and your annual membership will be valid until the start of the 2027 financial year.
