Details

WFAANZ and GSR Laser Tools have joined forces to offer WFAANZ members a discount on the Merlin Lazer Glass Analysis Kit.

Kit contains: Toughened Glass Indicator, Laser Glass Thickness Gauge and a Low E Coating Detector.

With the growing prevalence of toughened, laminated and Low E glazing, WFAANZ encourages our members equip themselves with a Merlin Lazer Glass Analysis Kit to accurately identify glass, and enable safe and effective film recommendations.

Cost

Australian members: AU\$990

Includes GST and free freight.

This represents a saving of \$106 + freight for Australian members.

New Zealand members: AU\$990

Freight will be charged at cost rate; EFT and card payment accepted.

To order, please complete this form and email it along with a copy of your current WFAANZ membership certificate to: sales@merlinlazer.com.au.
